

MKS Instruments to Participate In 6th Annual Wells Fargo TMT Summit

November 17, 2022

ANDOVER, Mass., Nov. 17, 2022 (GLOBE NEWSWIRE) -- MKS Instruments, Inc. (NASDAQ: MKSI), a global provider of technologies that enable advanced processes and improve productivity, announced today that Seth Bagshaw, Senior Vice President, Chief Financial Officer and Treasurer, will participate in a fireside chat at the Wells Fargo 6th Annual TMT Summit on Wednesday, November 30, 2022, at 10:00 a.m. (PST).

A live webcast of the session will be available in the Investor Relations section of the company's website at <https://investor.mks.com/> and a replay of the event will be available for a limited time thereafter.

About MKS Instruments

MKS Instruments enables technologies that transform our world. We deliver foundational technology solutions to leading edge semiconductor manufacturing, advanced electronics and specialty industrial applications. We apply our broad science and engineering capabilities to create instruments, subsystems, systems, process control solutions and specialty chemicals technology that improve process performance, optimize productivity and enable unique innovations for many of the world's leading technology and industrial companies. Our solutions are critical to addressing the challenges of miniaturization and complexity in advanced device manufacturing by enabling increased power, speed and feature enhancement for optimized connectivity. Our solutions are also critical to addressing ever-increasing performance requirements across a wide array of specialty industrial applications. Additional information can be found at www.mks.com.
