

## **MKS Instruments to Participate in Cantor Fitzgerald Global Technology Conference**

February 26, 2025

ANDOVER, Mass., Feb. 26, 2025 (GLOBE NEWSWIRE) -- MKS Instruments, Inc. (NASDAQ: MKSI), a global provider of enabling technologies that transform our world, announced today that John T.C. Lee, President and Chief Executive Officer, will participate in a fireside chat at Cantor Fitzgerald Global Technology Conference on Tuesday, March 11, 2025 at 1:00 p.m. EDT.

A live webcast of the session will be available in the Investor Relations section of the company's website at <https://investor.mksinst.com/events-and-presentations> and a replay of the event will be available for a limited time thereafter.

### **About MKS Instruments**

MKS Instruments enables technologies that transform our world. We deliver foundational technology solutions to leading edge semiconductor manufacturing, electronics and packaging, and specialty industrial applications. We apply our broad science and engineering capabilities to create instruments, subsystems, systems, process control solutions and specialty chemicals technology that improve process performance, optimize productivity and enable unique innovations for many of the world's leading technology and industrial companies. Our solutions are critical to addressing the challenges of miniaturization and complexity in advanced device manufacturing by enabling increased power, speed, feature enhancement, and optimized connectivity. Our solutions are also critical to addressing ever-increasing performance requirements across a wide array of specialty industrial applications.
