

MKS Named in U.S. News & World Report's 2025-2026 Best Companies to Work For

June 17, 2025

ANDOVER, Mass., June 17, 2025 (GLOBE NEWSWIRE) -- MKS Inc. (NASDAQ: MKSI) ("MKS"), a global provider of enabling technologies that transform our world, was again recognized by [U.S. News & World Report](#) ("U.S. News") as one of the 2025-2026 [Best Companies to Work For](#). MKS was rated as a top company in the Manufacturing and Agriculture Industries category based on factors contributing to job seekers' decision-making when choosing a workplace that best meets their needs.

"Receiving this prestigious recognition for the third consecutive year is a testament to the innovative work we do and the supportive organizational climate we have cultivated," said John T.C. Lee, President and Chief Executive Officer at MKS. "Our success rests on our ability to attract and retain highly talented professionals who are committed to advancing technology and serving as invaluable partners to our customers. We are grateful for this acknowledgement of our efforts to provide engaging and meaningful careers for our employees."

U.S. News' ratings reflect the evolving sentiments that factor into employee decision-making when choosing the "best" company to work for. The ratings then analyze that sentiment against other factors, including quality of pay and benefits, work-life balance and flexibility, job and company stability, physical and psychological comfort, belongingness and esteem, and career opportunities and professional development.

"Choosing a company to establish yourself or advance your career is a crucial decision for anyone," said Carly Chase, Vice President of Careers at *U.S. News & World Report*. "The 2025-2026 list features companies that excelled across various metrics, contributing to a positive work environment and the daily employee experience."

To calculate the annual *U.S. News* Best Companies to Work For list, *U.S. News* only considered the largest 5,000 publicly traded companies as of January 2025 that had more than 75 Glassdoor reviews written between 2021-2025. Relevant data, including employee sentiment and regulatory enforcement data, was gathered from partners [Revelio Labs](#), [Good Jobs First's Violation Tracker](#) and [QUODD](#) to calculate the six metrics used in the list. For further details on how the metric scores were calculated, see the [methodology](#).
