

MKS Inc. Named One of America's Most Responsible Companies

December 3, 2025

ANDOVER, Mass., Dec. 03, 2025 (GLOBE NEWSWIRE) -- MKS Inc. (NASDAQ: MKSI), a global provider of enabling technologies that transform our world, was recognized today as one of [America's Most Responsible Companies for 2026](#) by *Newsweek* and Statista, Inc.

"We are deeply honored to be recognized by *Newsweek* and Statista as one of the most responsible companies in the nation for the third straight year," said John T.C. Lee, President and Chief Executive Officer of MKS. "We work every day to provide our customers with world-class technology and innovation to help them achieve their objectives, and to do so responsibly for the benefit of our planet and communities."

The America's Most Responsible Companies ranking analyzes companies through a holistic view of corporate responsibility and evaluates the top 2,000 public U.S.-based companies by revenue. Each company receives an overall score based on over 30 key performance indicators, and a public survey of 18,000 U.S. residents.

About MKS Inc.

MKS Inc. (NASDAQ: MKSI) enables technologies that transform our world. We deliver foundational technology solutions to leading edge semiconductor manufacturing, electronics and packaging, and specialty industrial applications. We apply our broad science and engineering capabilities to create instruments, subsystems, systems, process control solutions and specialty chemicals technology that improve process performance, optimize productivity and enable unique innovations for many of the world's leading technology and industrial companies. Our solutions are critical to addressing the challenges of miniaturization and complexity in advanced device manufacturing by enabling increased power, speed, feature enhancement, and optimized connectivity. Our solutions are also critical to addressing ever-increasing performance requirements across a wide array of specialty industrial applications. Additional information can be found at www.mks.com.
